Agency Presentation:

Comfort Keepers

Comfort Keepers is a non-medical agency that provides Companion care to elderly and disabled individuals. Services include light housekeeping, cooking, transportation, and making safety changes to an individual's home. Comfort Keepers works along side Physical Therapists and in-home nurses from other agencies to provide maximum care. Comfort Keepers accepts private pay as well as long term care insurance. See Attached Brochure

**The Next meeting will be September 3rd, 2019
in The Yates County Auditorium**
