ProAction of Steuben and Yates, Inc.
RESILIENT Children & Families

October 2018

We will be introducing Be the One Cafes the 1st and 3rd Tuesday. During Together Time on Thursdays we will explore the 5 Protective Factors and how they impact families.

About Family Resource Centers

Family Resource Centers (FRCs) offer a variety of activities, workshops, forums and events that provide opportunities for adults to increase their skills and knowledge while building social connections. In addition, FRCs offer opportunities for developmental screenings, playful learning, socialization and literacy-building opportunities for young children attending with their parents or caregivers.
