

## Senior Community Service & Employment Program

Pro Action has a program that assists eligible individuals, age 55 and over, with finding employment.

Pro Action wants you to know that it's never too late to learn new skills and find a fulfilling job! Our Senior Community Service Employment Program is an income eligible program that matches eligible job seekers age 55+ with a community service assignment based on employment interests and goals.

Participants work 20 hours per week and earn minimum wage while gaining experience, increasing skills and building self-confidence. These training assignments can be used as a bridge to finding job opportunities outside of the program. In fact, the experience often leads to permanent employment.

This program serves four counties including Allegany, Chemung, Schuyler, and Steuben. For more information about the Senior Community Service & Employment Program, **contact Kelly Duby, Project Director at (607) 776-2125, ext. 145.**
