### Applicant's Statement

I understand and agree that nothing in this application shall constitute an offer, a contract or a guarantee of employment for a specific period of time. If hired, I understand that my employment with Pro Action is on an at-will basis, which means that my employment may be terminated with or without cause and with or without notice at any time, at the will of Pro Action or me. I further understand that no representative or agent of Pro Action, other than the CEO has the authority to enter into any agreement for employment for any specific period of time or to make an agreement contrary to the foregoing. I also understand that any agreement modifying my at-will employment status must be in writing and signed by the CEO. I give Pro Action permission to contact all or any of my previous employers and references and authorize them to disclose any information Pro Action may request in the course of its investigation of this application for employment and I hereby release Pro Action and such references and prior employers from any and all liability with respect to such disclosures.

After a tentative offer of employment has been made, if requested by Pro Action, I agree to take a job-related medical examination at no personal expense and authorize the examining physician to disclose the findings to Pro Action. I understand that any offer of employment is conditioned upon receipt of satisfactory references and satisfactory completion of any such job-related medical examination. I also understand that I may be requested now or at any subsequent time during my employment with Pro Action to submit to drug and/or alcohol tests, at Pro Action's expense. I understand that if I refuse to take the test, my employment may be terminated immediately. I also understand that if a conditional offer of employment is made, Pro Action performs criminal background checks. A criminal conviction will not necessarily exclude me from consideration. Rather, each situation will be addressed on an individual basis, consistent with applicable law.

I have provided truthful and complete responses to all inquiries in the application and authorize Pro Action to investigate all statements contained in the application. I understand that the discovery of any falsification or omission constitutes a ground for immediate dismissal or refusal to hire. If employed, I will abide by Pro Action's rules and regulations, which I understand are subject to change by Pro Action.
